Established in the year 2014, we "Poonam Instruments PVT. LTD. " are engaged in supplying a wide range of Testing and Measuring Instruments, Engineering Software, Tool Kit Suppliers (Electrical Electronics) New Technical Institute's Turnkey Suppliers, Electronics, RF & Microwave fields. All Type of Gas analyser & gas leak Detector These services are provided to Several Industries, Private & Government sectors, Technical Training Institutes, Universities , Polytechnics & Engineering Colleges. Supplies are made regularly to Several Industry.

Special Service and Supplies of :

Turnkey Packages & Tool Kits (Electrical, Electronics) for various industries. New Technical Institutes Turnkey Supplier for 1st year Engineering/Diploma for Various Labs like Physics /Chemistry / Mechanics / Workshop / Drawing etc. We have setup a vast network in Maharashtra to provide complete back up service support to our clients.

Backed by a team of diligent professionals, we are able to fulfill various requirements our clients. Our qualified and experienced team completely understands the value of the money invested by our clients and works hard to pay them the desired results in terms of quality products and services.

We are leading suppliers providing a wide range of INSTRUMENTS

- **Electrical** ➤ **Hydraulic** ➤ **Flow** ➤ **Weighing Machines**
- **Electronics** ➤ **Pneumatic** ➤ **Pressure** ➤ **Hardness Testing machines**
- **Mechanical** ➤ **Temperature** ➤ **Calibrations** ➤ **Testing Lab Setup**
- **Automation** ➤ **Safety tools** ➤ **Fire Solution** ➤ **Shop Floor Cleaning Equipments**
- **All Type of Gas Analyser & gas leak Detector** ★ **All types of Instruments Calibrations**
